Our Former Esteemed International Collaborations

The Regent's International College : is a newly opened higher education college in Bangkok, Thailand, that offers students the chance to study for internationally recognized qualifications, with an outlook to furthering their education at a wide range of universities worldwide. Regent's International College is a joint venture between the established Regent's International School and IVBE (International Vocational Business Education) and is the first institute in Thailand to be approved by Edexcel, the UK's largest awarding body to offer the BTEC (Business & Technical Education Council) qualifications.

The University of Peradeniya (Kandy) : The University of Peradeniya is the heir to a sixty year old University tradition which commenced with the inception of the University of Ceylon, the first institution of its kind established in Colombo on 1 July 1942. It moved to the banks of Mahaweli River, the longest in the Country, in 1952. However the history of its evolution as the oldest and the largest University in the country pass through the following stages. The University is located in Peradeniya in the Central Province, which bares lush greenery vegetation and mist-clad mountains, approximately 6 km from the City of Kandy, the historic Capital of the last independent Kingdom and 110 km from Colombo, Capital of Sri Lanka, and can be reached within two to three hours by public road or by railway. The University covers about 700 hectares of land and the developed area covering approximately 130 hectares is occupied by buildings of the Faculties, Halls of Residence, Staff bungalows etc.

Sadahamsevana International Buddhist Information and Institute (Colombo) : The Founder of Sadaham Sevana is Ven. Athuraliye Rathana Thera. He is a Buddhist monk who thinks in a new, different and comprehensive way. He himself is a great thinker and intellectual not confined to conventional notions and traditions. He also makes continuous effort to steer his thinking, in a strategic way, for the well being of man and nature, managing within the prevailing traditions. He is not a mere politician though he represents the Parliament of Sri Lanka. Environmentalists and such activists, individuals who think and promote eco-friendly organic farming and agriculture, those who think to exercise arts for the spiritual progress of man, those who show keen interest in Yoga, music, meditation and such spirituality have already gathered round us for a better cause of humanity and make our wish a reality. Sadaham Sevana is a TRUST. We have a BOARD sacrificed for the course. Sadaham Sevana which built five years ago, comprises with an auditorium, hostel and multi-purpose hall.

International Buddhist College, Thailand : International Buddhist College (IBC) in Thailand is an international institute of higher learning offering quality Buddhist education within a spiritually dedicated, non sectarian, modern and scholastic environment. College currently offers Bachelor of Arts in Buddhist studies, Bachelor of Arts in Pali and Sanskrit language and literature, Master of Arts in Buddhist studies (both in English and Chinese mediums), and Doctor of Philosophy in Buddhist Studies (both in English and Chinese mediums)

BITS, RAK, Dubai : Ras Al Khaimah is one of the emirates of the United Arab Emirates (UAE), in the east of the Persian Gulf. The emirate of Ras Al Khaimah covers an area of 1,700 square km. BITS, RAK, Dubai is Offering Engineering and Management Courses with the rich tradition of Academic excellence.

The Management Development Institute of Singapore (MDIS) provides programmes in Business and Management, Engineering, Fashion Design, Information Technology, Health and Life Sciences, Mass Communications, Psychology and Travel, Tourism and Hospitality Management.

East West Institute of Technology (EWIT) came into existence in 2001, approved by AICTE, New Delhi, affiliated to Visvesvaraya Technological University (VTU), Belagavi, and recognized by Govt. of Karnataka. The institution is heading towards great heights of success, imparting a variety of technical and value based skills to quench the thirst of young learning minds
